

GRAHAM A BROWN & ASSOCIATES TRAINING POLICY

Graham Brown

Robyn Laurenson

Graham A Brown and Associates are specialists in the development and delivery of training for Industry and Government both nationally and internationally.

We are committed to providing training information and experienced trainers which are:

- Effective
- Relevant to industry and government needs
- Reflective of local, national and global issues
- Sensitive to local cultures and legal systems
- Innovative

Training will be provided in accordance with equal opportunity principles and allows for differing learning styles. Training is developed in accordance with Standards Australia HB 249-2000 *Managing the Delivery of Technical Training*.
